Programme:	BSc Computing Year 1 Semester 1		
Module name and code:	Code Lab 1		
Title:	Assessment 1 Portfolio (10 mini c++ programs)		
Assessor name:	Meenakshai Mega Varmam		

Plagiarism

Plagiarism is a form of cheating. Plagiarism must be avoided at all costs and students who break the rules, however innocently, may be penalised. It is your responsibility to ensure that you understand correct referencing practices. As a university level student, you are expected to use appropriate references throughout and keep carefully detailed notes of all your sources of materials for material you have used in your work, including any material downloaded from the Internet. Please consult the relevant unit lecturer or your course tutor if you need any further advice.

Student declaration			
I certify that the assignment submission is entirely my own work. I fully understand the consequences of plagiarism. I understand that making a false declaration is a form of malpractice.
